**Dear Parents/Guardians:** This report card for the 2009-2010 school year contains important information about our school, including the details about our academic performance, teacher qualifications, learning environment, and more. For a more detailed look at our school, please go to <http://www.education.ky.gov> and select School Report Cards on the blue navigation bar to the left of the homepage.

**About Our School:** Barret is dedicated to the concept of scholarship, patriotism, courtesy, responsibility and citizenship. It strives to develop in its students the highest possible competence in fundamental skills, growth in citizenship and in moral and spiritual values, responsibility for personal behavior and a spirit of individual achievement and competition. Barret students consistently score in the highest categories in state and national standardized test. Barret is the leader for Jefferson County Middle Schools in combined average for all academic areas. We believe we have blended the best of the past with the needs of the future. A structured, orderly environment, a quality academic program, excellence in athletics and extensive parental involvement provide for exceptional student performance.

**How We Ensure Educational Equity:** Our goal is to provide for the needs of a diverse school population while increasing successes for all students. We have developed plans to promote literacy and narrow the gap between the low and high achieving students while continuing to raise the standards for all students. Strategies to achieve these goals are professional development in diversity issues including: learning styles, teaching a diverse population, methodology, culturally relevant instruction, classroom environment and technology. Enrichment programs throughout the year are held to meet the needs of all learning styles and achievement levels. Classrooms and the Media Center house literature that is inclusive of all reading abilities and has multicultural themes and/or characters. Parent education programs on a variety of middle school issues are promoted throughout the year. Non-academic, as well as academic awards and recognitions are in place to promote self-esteem for all students.

#### State Assistance (Non-Title I)

Senate Bill I, signed into law in March 2009, requires state accountability for Non-Title I schools. If a non-Title I school does not make AYP in the same content area for two consecutive years, the school will be eligible for state assistance. The description "Eligible for State Assistance" will appear in the Consequences, School Status column, followed by the number "1" or "2" indicating the number of years eligible.

# How We Are Doing

Kentucky's Interim School Testing and Accountability System has three parts: the Kentucky Core Content Tests (KCCT); readiness tests by grade level; and other measures of a school's performance, including attendance, retention and dropout rates. This interim system will be replaced in the 2011-12 school year by a new testing and accountability system structured as required by statute. The goal is that, by 2014, nearly all students will score proficient or distinguished in every subject area tested.

**Norm-Referenced Test:** The ITBS scores are not part of state or federal accountability. The assessment is for diagnostic purposes only. The school and district scores are reported publicly using national percentiles (Percentile Rank of Average Standard Score: National Student Norms). Each national percentile shows a student's performance compared to other students who took the assessment at the same grade level and same time period—fall, mid-spring, or spring as compared to the 2005 norming group.

**EXPLORE TESTING:** 8th grade students in Kentucky are being given the EXPLORE assessment from ACT, Inc. This assessment predicts attainment on the ACT assessment and suggests performance in college. These scores are reported as scale scores from 1 to 25. For further information on this test and the other components of the Educational Planning and Assessment System (EPAS) go to the KDE homepage (<http://www.education.ky.gov>) and select School Report Card from the blue navigation bar.

**NAEP:** The National Assessment of Educational Progress (NAEP) is also known as "the Nation's Report Card". NAEP has been conducting assessments since 1969 and is the only national assessment of what "America's students know and can do" in various subject areas. NAEP does not report scores for individual students or schools. NAEP bases its results on a sample of students and provides data at the state and national level.

Barret practices zero tolerance for possession of weapons and possession of/being under the influence of drugs and alcohol, in accordance with the JCPS Code of Acceptable Behavior and Discipline and the Student Bill of Rights 2010-11 and with local and federal regulations. We have a school climate in which students and parents feel comfortable reporting real or even suspected violations to school staff. After 8:00 a.m. all entrances are locked, preventing entrance until a security door release system is activated. Security video cameras and door buzzers are installed at the two main entrances. Barret students wear uniforms and outsiders are easy to spot.

## How We Use Technology To Teach:

All classroom and lab computers are networked and have wireless Internet access. We have 2 Windows Labs that accomplish curriculum goals and use Microsoft Office for word processing, spreadsheets, and presentations. The labs are equipped for Math applications linking TI graphing calculators to the computers. Infinite Campus is used extensively by all staff and students, including on-line grading. The Library Media Center has 16 Windows computers which enable students to locate and organize information for meeting content area goals.
